EXPERIENCE

Tutor - Computer Science (High-school certificate)

August 2021 – May 2022

Classes mainly focussed on solving algorithmic problems and a thorough understanding of the idea behind each algorithm. Moreover I was also teaching how to construct basic queries and how to carry out simulation in excel.

EDUCATION

Military University of Technology

October 2021 – February 2022

Computer Science

SOFT SKILLS

Eager to learn and grow

Work well under pressure

Good with problem solving

Efficient laziness

Perseverance

PROGRAMMING LANGUAGES

Python

C++

git

SQL

Excel

HTML, CSS

LANGUAGES

Polish – Native

English – Fluent B2 – C1

German – Basic

French – Basic

INTERESTS

Programming

Math and Data analysis

Problem solving

Electronics

Drone racing

Chess

Competitive games
